The Communists News Network @CNN just called activities like this beach a “Super Spreader Event”

Not one single mention of riots as a Chinese virus ‘super spreader event’

They call violent riots “protest”

Apparently rioters aren’t contagious.

Dems call themselves peaceful and tolerant, yet every time the Fake News launches a smear campaign, death threats like these pour in from the left.

Violence in America is happening in Dem-run cities, funded by Soros ($220 mil) and egged on by the Fake News.

Peaceful my ass.

She's not

Her Green New Deal will destroy our economy

The GND will erase the middle class & create a permanent wide gap between the rich elites (like AOC) & the MANY poor

The Media defends Antifa/BLM who violently loot, burn, attack our police and cities, and even murder people

Yet the media attacks, criticizes, and mocks people who want to stop pedophilia and #SaveTheChildren

What is wrong with the media?

Is this the future the Democrat Party envisions for America? Are these their future leaders?

Terrorizing families and older people out to eat on a Sunday afternoon?

Do the Dems think mothers want to vote for left-wing violence and intimidation in the streets?

White woke liberals are the real racists.

They use identity politics and lies to divide and persuade Black Americans to vote for Democratic Socialism.

The solution is investing and working together to build up communities

My message to the media:

You can try to shout me down.

You can try to intimidate me.

But you will never win.

I will always stand for what's RIGHT and stand with the forgotten men and women in America!

And I will NEVER bend a knee to the mob!

I'm honored and thrilled to be invited to attend President Trump's acceptance speech Thursday evening at the White House.

I'm also equally excited to vote for him again November 3rd, and I'm working hard all over Georgia to help him win.

Dems are fond of saying "no one wants to take your guns away."

Yet @DianneFeinstein herself says that's the goal: turn them all in / pick them all up.

My advice to Americans: buy as many as you can!

It's the best defense against the tyranny Dems have in store for America.

True story.

Also true, that we don't let Pro-Abort Hollywood push us around

When famous actors came door knocking telling us to vote for Stacey Abrams for Governor, we voted for @GovKemp

Georgia loves babies

Rep. Jim Jordan @Jim Jordan

Disney threatened to boycott filming in Georgia when the state passed a pro-life bill.

But thanked the Chinese Communist Party for letting the studio film in Xinjiang, which houses China's concentration camps.

This is exactly why no one believes the Fake News anymore.

Democrat activists are like the boy who cried wolf too many times.

Now everyone just tunes them out and turns the Fake News off.

People aren't stupid and are fed up with the lies.

Contempt is the act of despising.

19 yrs ago, 19 men declared jihad on America and 2,977 people were killed.

The radical Islamic terrorists planned, trained, prayed, & were supported in their evil plot.

Americans were united as one against a real enemy with a long term plan.

Most countries have government run news.

Yesterday I said anyone in government or the Fake News who defends #Cuties should be EXPOSED

Sure enough today, @axios is attacking any condemnation of pedophilia and child porn we see in #Cuties as linked to a "conspiracy theory"

#Cuties went low

Fake News going even lower

Republican politicians are propelling a growing boycott of Netflix in response to the streamer debuting a French film called "Cuties" that denounces society s hyper sexualization of young girls on social media.

Why it matters. Their condemnation of the film is linked to a child sex trafficking conspiracy theory central to the QAnon movement. Conservatives are using the conspiracy to target Netflix for its ties to Democrats including its partnership with Barack and Michelle Obama

Who decided we're not allowed to talk about George Soros?

He spends hundreds of millions (2nd only to the Communist Chinese) to influence our elections, but he's off limits?

Dems say they want money out of politics, yet their hand is out for his checks.

It shouldn't take polling to convince the Speaker of the House that rioting is lawlessness.

She should already know that.

Nancy Pelosi is the worst Speaker of the House in history.

Kick her out!

Speaker Pelosi: "We support peaceful demonstrations. We participate in them. They are part of the essence of our democracy. That does not include looting, starting fires, or rioting. They should be prosecuted. That is lawlessness."

Democrats seem to have trouble following election laws.

Under Georgia code, a candidate who withdraws from the race with less than 60 days until the election cannot be replaced.

Regardless, I'd still win bigly!

Watch for the incredibly corrupt and paid for NY AG @TishJames to bring new allegations against Trump.

The media will run wild with it.

Then Pelosi and the anti-American Democrats will impeach him again and attempt to delay Supreme Court pick.

Don't fall for it!

As a blonde woman, I would like to take a moment to thank Congresswoman @AOC.

She has single handily put an end to all "dumb blonde" jokes.

Blondes everywhere appreciate your service and your sacrifice!

Nancy Pelosi is a failed leader who is mentally unfit for the job.

She has a severe case of Trump Derangement Syndrome.

She is willing to unconstitutionally impeach @realDonaldTrump (AGAIN) in an attempt to stop his Supreme Court pick.

There are no options on the table for @AOC to block the Senate from confirming another Justice.

You & Pelosi can try to unconstitutionally impeach @realDonaldTrump again.. but that didn't work so well last time.

As Obama loves to say, elections have consequences.

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

As a blonde woman, I would like to take a moment to thank Congresswoman @AOC.

She has single handily put an end to all "dumb blonde" jokes.

Blondes everywhere appreciate your service and your sacrifice!

NEW: @SpeakerPelosi's latest impeachment threat is proof she would rather use her post as speaker to weaponize the chamber than as a means of accomplishing anything of substance for the country. She must be removed from the speakership immediately.

I believe Kyle Rittenhouse is an innocent child.

I believe he acted in self defense against anarchist criminal thugs who were attacking him and trying to kill him.

I'm fed up with the media & the left defending riots, anarchy, and insurrection.

Soon I'll be in Congress.

While Joe Biden was Vice President, the Obama Administration awarded his brother, James Biden, a $1.5 billion contract to build housing in Iraq.

Joe Biden's brother had ZERO documented history in residential construction.

Why is nobody talking about this corruption?

I wouldn't care so much about the contract. If $1.5 billion in housing would have actually been built. At $50K each (a mansion in Iraq) that's 30,000 homes. There's a lot of USA towns with nowhere near that many homes.

The evil left is going to attack Amy Coney Barrett for being a Catholic mother.

Apparently believing in God and having 7 children (2 adopted) is absolutely horrifying to the left.

As if supporting riots wasn't enough, the left is about to give an encore on why to vote Trump.

This is one of the most awful things I've seen. 💔
Being a mother is a great blessing. It is the most wonderful part of my life.
We must end the lie sold to women that a baby is the problem in their life.
This is how Satan preys on women.

James Woods ✓ @RealJamesWoods
Margaret Sanger was a rabid racist, who shamelessly espoused abortion as a weapon to eradicate black Americans, so this is at the very least ironic.

Today, the vile left will descend into merciless attacks on @realDonaldTrump's pick for SCOTUS, Amy Coney Barrett.

The left will attack her at the core of who she is and represents.

A mother.

They show their hatred of motherhood by preaching the lie that abortion is a "right."

Hey Democrats. Quick question.

If I choose not to wear a mask, is it still “my body-my choice”? Or not this time?

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt."

If the Dems steal the election, I'll be on the front lines fighting to stop the unconstitutional mask mandates.

If masks work, then those in high risk groups can choose to wear them to be safe.

Otherwise, re-open America mask free!

ANTIFA has declared war on our country.

@realDonaldTrump responded by declaring them a domestic terrorist organization.

Here's my message to ANTIFA terrorists:

Stay the HELL out of NW Georgia.

You won't burn our churches, loot our businesses, or destroy our homes.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

How is it that Nancy Pelosi, someone who has been in Congress for over 40 years, has accumulated a net worth of over $100 MILLION?

Career politicians like Joe Biden and Pelosi have sold out America to enrich themselves for DECADES.

This is real CORRUPTION.

"Weatherized"

I own a construction company.

I'd love to hear Chris Wallace explain, oh I mean Joe Biden explain how much it cost for Americans to "weatherize" their homes.

Bc under @AOC's plan, oops Joe's plan, weatherizing will be paid for by the people.

And that's NOT cheap

Joe Biden LIED to every single American tonight.

This is directly from his website.

He calls @AOC's Green New Deal a 'crucial framework!'

That means he wants to go even farther and kill even more jobs.

> **Vice President Biden knows there is no greater challenge facing our country and our world. Today, he is outlining a bold plan – a Clean Energy Revolution – to address this grave threat and lead the world in addressing the climate emergency.**
>
> Biden believes the Green New Deal is a crucial framework for meeting the climate challenges we face. It powerfully captures two basic truths, which are at the core of his plan: (1) the United States urgently needs to embrace greater ambition on an epic scale to meet the scope of this challenge, and (2) our environment and our economy are completely and totally connected.

19 yrs ago, 19 men declared jihad on America and 2,977 people were killed.

The radical Islamic terrorists planned, trained, prayed, & were supported in their evil plot.

Americans were united as one against a real enemy with a long term plan.

When will this pathetic Congress pass a resolution condemning Communist Antifa and Marxist BLM?

They burn cities, violently attack innocent people, shoot police, and cause millions of dollars in damage to businesses and federal property every single day!

Congress is failing!

If I choose not to wear a mask, is it still "my body-my choice"? Or not this time? 👉

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt "

Here is how you disagree without hate, I'll start.

I will stop your Green New Deal bc it's policies will wreck our economy & jobs, and turn our gov into socialism. It will hurt the very people you claim to help.

I wish the President and the First Lady a complete and swift recovery. I have taken comfort in 1 Kings 20, about the recovery of King Hezekiah: another leader, another reformer, another extraordinary political figure who restored his nation's values and overcame the odds. (2/12)

Joel Pollak @joepollak · 19 Std.

It is nice to see (some) Democrats wish Trump well.

It is INTOLERABLE that this is the first time most have done so in four years. They only acknowledge his presidency once he faces a life-threatening disease.

@JoeBiden compared Trump to Nazi Joseph Goebbels on Saturday. (3/12)

Joel Pollak @joepollak · 19 Std.

It is not shocking that other Democrats are gloating and celebrating. They are blinded by their hatred and no longer have boundaries. This is how they behave when they need your vote. Think about what they will do if they have full political power and what their goals are. (4/12)

Joel Pollak @joepollak · 19 Std.

National Democrats resisted any unity or cooperation with Trump when it counted most, in March. Biden and Sanders both attacked him and his travel ban. Pelosi gave a national address without even mentioning the president.

It's time America had a balanced budget.

If I ran my company the way Congress runs the federal government, I'd be out of business.

Private businesses don't have money printing machines and unlimited borrowing.

Neither should the government.

Time to rein it in.

Great to hear!
@realDonaldTrump is a true leader who didn't go hide in a basement while our country has faced this crisis!
We don't want a President that hides in a basement.
We want a President who fearlessly leads on the front lines in a fight!
Go Trump!
Get well soon!

Dear grammar police & spelling Nazi's,
Dyslexia runs in my family. It's probably why we are so creative, hard working, and successful.
Also why I'm a big supporter of @realDonaldTrump School Choice.
Education shouldn't be a one size fits all approach.

Joe Biden wants to force the job-crushing Green New Deal on every man, woman and child in America.

Part of the Biden-AOC Green New Deal is weatherized homes.

These economy-wrecking regulations would force the price of homes to SKYROCKET ($30k-$50k more per home)!

Repeal of @realDonaldTrump Tax Cuts & Jobs Act would impose huge tax increases on Americans. A family of 4 earning income of $73,000 saw a tax cut of over $2,000– a 58% reduction in fed taxes. A single parent w/ 1 child & income of $41,000 saw a tax cut of $1,304 , 73% reduction.

My stance on the Green New Deal is to put it through the paper shredder. @AOC 😘

Raising taxes and turning America into a socialist country does nothing to climate change.

Destroying the oil and coal industry just kills our American economy and allows China to win.
